Such leaves for the regularly employed part-time classified employee may be prorated in the same ratio that his/her regular schedule bears to the schedule of the twelve (12) month employee.
11.2.2 The leave commences on the first day of absence and when it is exhausted, available sick leave, accumulated compensatory time or earned vacation may be used.

11.2.3 As long as the employee has paid leave of absence time available, the District shall require that temporary disability checks be endorsed to the District. The District shall then issue the employee his regular salary warrants with the usual deductions for retirement and other authorized contributions so that payment will not exceed the normal wage of the period.

11.2.4 Allowable leave shall not be accumulative from year to year. When an industrial accident or illness occurs at a time when the full sixty (60) days will overlap into the next fiscal year, the employee will be entitled to only the amount remaining for the same injury or illness.

11.2.6 Upon termination of the benefits outlined above in 11.2.2, the employee shall be placed on a thirty-nine (39) month re-employment list.

11.2.7 When all available leaves of absence for employees have been exhausted and the employee is not medically able to assume the duties of his position, he shall, if not placed in another position, be placed on a re-employment list for a period of thirty-nine (39) months to be employed in a vacant position in the class of his previous assignment.
